

Important Information

We invite you to take this opportunity to increase your knowledge and learning, and give your support to your profession and to the Hypnotherapy Federation; the organisation responsible with bringing together the profession in this country.

The 18th National Hypnotherapy Conference weekend has been tailored to include some of the topics that were requested in recent conference feedback, plus some other interesting topics.

YOU CHOOSE WHAT YOU WANT TO ATTEND:

We have kept the very popular **Conference Weekend Early Bird Special** for the best use of your investment. The conference day and on-going training workshops are available separately. All options are available on an Early Bird Special.

This year, with so many applications to present at this premier event, and so many topics we thought you would enjoy, we decided to run concurrent presentations though *most* of Saturday.

You choose which speakers you want to attend, and put your choice on the Registration Form. However, there is no need to miss out on the other presentations, as you can order the CD recordings of the other presentations from **Auckland Recording Services** which is on-site all weekend.

Please remember... profit raised by this event will go towards funding a national Hypnotherapy marketing campaign. This will assist not only your business, but also the Hypnotherapy profession in future years.

SPECIAL DISCOUNTS:

Being a **current** financial member of one of the Hypnotherapy incorporated societies brings even greater savings, as you are eligible for a special discount.

If you are **current** Hypnotherapy student - attending classes **this** year - you are also eligible for a special discount.

Please note this special discount is available on the full conference **weekend** only.

VENUE

Barrycourt Hotel and Conference Centre, 10-20 Gladstone Road, Parnell, Auckland.
Location Map: www.barrycourt.co.nz/location Email: barrycourt@xtra.co.nz.
Phone: 0800 504 466.

AIR-CONDITIONING:

It is not possible to have the temperature set to suit individual preferences. And it is not conducive to learning, if the temperature is too hot. We suggest wearing **layered clothing, and bring a warm jacket, etc.** in case the room is cooler than you prefer.

FREE PARKING:

Free parking is available in the grounds of the venue on a "first come, first served" basis. Plus, there is plenty of free parking available along Gladstone Road.

RECORDING:

Professional recordings of all presentations will be available from Auckland Recording Services at a reasonable cost to delegates. **Note:** Personal recording is prohibited.

ACCOMMODATION & BILLETING:

At the venue: Some rooms have been reserved for delegates at our usual (corporate) rate: Twin standard - \$125 per night (share a room with a colleague) or King Standard - \$115 per night. Contact the venue direct - details above.

These prices are **only available until 15th August**, because the RWC starts soon after the conference and rooms are at a premium. Normal rack rates apply from 1st July. When booking accommodation state you are attending the conference and ask for the "corporate" rate. If you want to stay at the venue **you need to book your room by 15th August**, otherwise we cannot guarantee the special discounts will be available.

Billeting: The Federation has asked Auckland Hypnotherapists to open their homes and offer delegates coming from out of town, a bed for 1 or 2 nights.

If you **require a billet**, or if you can **supply a billet**, please get in touch with Sue Wood - Events Team (contact details below). NOTE: You will need to transport anyone staying with you to and from the conference.

As a service to delegates the Federation Events Team will advise you of any billets and/or other delegates willing to share, so you can contact each other and arrange your billet and costs. Please register early to take advantage of this service.

Note: This service obviously depends on colleagues offering billets or wanting billets.

AWARD DINNER:

The new menu was very well received last year, and will remain this year. Included with your dinner is free glass of wine or juice. Additional guest are welcome to attend the dinner, just book and pay with your registration. Latecomers may be able to be included. Check with Sue Wood.

NOTE: As a minimum number of diners are required to allow us to have a private dining room the conference day and weekend fees **include** the Award Dinner. Please do not ask for the dinner amount to be taken off your registration fee, as a refusal may offend.
